

Young Parents Talk Housing and Support

Tuesday 25th September 2007, The Shore, Dundee

The Scottish Youth Housing Network is holding a consultation event to learn about young parents' experiences of housing and support. There will be a range of workshops and some fun activities over lunch such as massage, video diary room and the opportunity for parents to get their photo taken with their child.

Projects can bring up to three young people with or without their kids. Both mums and dads are welcome whether or not they live with their child. Young people must be accompanied by a worker. Travel costs will be reimbursed for young people and they will all receive £10 as a token of appreciation from SYHN.

Breakfast, mid-morning snack and lunch will be provided. A menu of the healthy food and drinks that will be available will be sent out before the event. Please note: no fizzy drinks or processed foods will be on offer!

A crèche will be provided. To book places please complete and return the booking form.

The Programme

- 9.30 Arrival and Breakfast
- 10.00 Workshop One

How did becoming a parent affect your housing?

What support did you get?

What has being a young parent meant for your education, training or work?

What advice would you give other young parents about housing and support?

What could services and housing providers do better to help young parents?

Ask The Parents

Ask The Parents: Young Parents Talk Housing and Support

SYHN consultation event, Tuesday 25th September 2007, The Shore, Dundee
